

“From Fortifications to Floral Fantasies”

A guided evening walk through Planten un Blomen

with the Park Manager, Eva Henze

on Monday 28 May 2018 starting at 6 30 pm

The Arts Society invites you to take part in this evening walk, which will start at Landungsbrücken (on the footbridge just outside the station) with a steep ascent up one of the bastions. While participants can enjoy the lovely view, Eva will share some of the history of Hamburg's fortifications. We will then walk via the Bismarck monument and the Museum für Hamburgische Geschichte towards the former Botanic Garden and then on towards the park lake. En route Eva will point out relics from previous international garden shows (from 1869 up to 1973) and the more recent additions to the park, as well as talk about the opportunities and challenges of park management in a modern city.
