

# THE ARTS SOCIETY HAMBURG

The Chair and Committee invite the members of The Arts Society Hamburg to celebrate its 30<sup>th</sup> and The Arts Society's 50<sup>th</sup> anniversary

**on Monday 2 July 2018 at the DESY Hörsaal, starting at 6 30 pm**

## **The Anatomy of Antiques - an evening with BBC Antiques Roadshow specialist, Marc Allum**

This special evening comprises a fascinating talk around the articles you bring, plus a buffet supper and drinks.

**Marc Allum will discuss the historic lure and psychology of collecting and invites audience members to bring an object to be placed on a table at the beginning of the lecture. Marc will spontaneously incorporate a selection of these into his talk.**

**Marc Allum** is a freelance art & antiques journalist, writer and broadcaster who has been a miscellaneous specialist on the BBC Antiques Roadshow since 1998. Marc's interests range from pre-history to modern design and he is a self-confessed "collectaholic".
